When it comes to coaches who have done enough to be fired,2012 nfl jerseys,flag football jersey,west virginia football jersey, Marinelli has to be near the top of the list. But Marvin Lewis of the Bengals (0-6) might be doing a worse job.

Brian Billick suggested last week that the league could have more than twice as many openings after this season as the four jobs that changed hands last season. But he would say that: he's probably in line for one of them.

"It's just a weird dynamic right now,nfl jersey size,make your own college football jersey,football jerseys for sale," Vikings linebacker Ben Leber said. "I understand the fans are frustrated, but we're getting wins. They may not be as pretty as some of them were in the past,nfl giants jersey,retro hockey jerseys, but we're getting wins."

They'll be talking people off ledges all week. Less than a week after a narrow win over the Saints had him saying Childress and the Vikings never had to apologize for a victory,cool nfl jerseys, the Star-Tribune columnist Patrick Reusse took it all back and apologized to his readers. Tom Powers, writing in the Pioneer Press,customized football jerseys, said Sunday afternoon at the Metrodome was not his idea of a good time:

The Vikings played so poorly on offense that at least one Vikings blogger admitted feeling a little guilty about winning. But even he acknowledged that things could be worse. Remember, some people are Lions fans.

A look at Friday's injuries and what they mean:

BENGALS: Receiver A.J. Green (knee) is listed as doubtful,nfl football jersey,kids football jersey, as expected. Andre Caldwell,cheap nfl jersey, who hasn't surpassed 33 yards receiving in his past six games,create a football jersey, is expected to start in place of Green. Keep an eye on Andrew Hawkins,hockey jerseys custom,tcu football jersey, who had five catches for 56 yards after Green was sidelined last Sunday. Defensive end Carlos Dunlap (hamstring), one of the Bengals' top pass rushers,custom nfl jersey, is questionable after missing last Sunday's game.

BROWNS: Running back Peyton Hillis and strong safety T.J. Ward are both out again. Running back Montario Hardesty (calf) is questionable after returning to practice Friday on a limited basis. Receiver Mohamed Massaquoi (head) is probable after missing the past three games. ... For the Jaguars, cornerback Rashean Mathis (knee) was placed on injured reserve this week. Will Middleton,china nhl jersey,is nike taking over the nfl, who started four games this season, will replace Mathis. C.J. Mosley is expected to replace defensive tackle Terrance Knighton,leaked nike nfl jerseys, who is out.

RAVENS: Linebacker Ray Lewis (foot) and receiver Lee Evans (ankle) are listed as questionable. Head coach John Harbaugh wouldn't rule out Lewis despite the middle linebacker not practicing all week. Lewis' replacement,nike jerseys 2012, Dannell Ellerbe (thigh), is also listed as questionable,customize your own nfl jersey,nike new nfl jerseys, but he's expected to play. He told reporters in Baltimore that he worked with the first-team defense Friday. Evans has been limited all week,design your own nfl jersey,nike nfl pro combat jerseys, and offensive coordinator Cam Cameron indicated it might be another week or two before Evans returns.

STEELERS: On their bye.

And which team will be the first to make its move.

When you consider that two N.F.L. coaches have already lost their jobs this season,2012 nike nfl

pro combat uniforms, it wasn't surprising that fans were chanting for another one to be fired during the Vikings-Lions game on Sunday. What was surprising was that the coach in the crosshairs was not Detroit's Rod Marinelli, whose team dropped to 0-5, but Minnesota's Brad Childress, whose Vikings won, 12-10, to move into a first-place tie in the N.F.C. North.

Scoring 12 points at home against one of the league's worst defenses, and needing help from the officials to get into position for the winning field goal, will do that. Childress said he didn't hear the boos, but his players did.

So now it's your call. Make your case for a new coach for your team, if you think it could use one, and tell us who you would prefer to see on your sideline.

Jared Allen was more blunt: "Chill out, people. We have a lot of season left. Just chill out."

And the Bengals and the Lions probably aren't the only teams who will be calling Bill Cowher's house in the off-season. The Rams and the Raiders will no doubt go back into the market after the season. Houston's Gary Kubiak didn't get his first win until Sunday, and Kansas City's Herm Edwards may not get another one.

I went to the concession stand to get a hot dog at halftime and the anger and frustration were palpable right there on the Metrodome concourse. I heard the kind of foul and disgusting language that I hadn't heard since I dripped ice cream on the living room carpet a couple of weeks ago.

This is fun? This is weekend entertainment?

The Chargers and the Cowboys appear to be underachieving, and Norv Turner and Wade Phillips have both been fired for less. Mike Holmgren has already announced that he's leaving the Seahawks, which will keep them from firing him as their season crumbles. And only the struggles of N.F.C. West also-rans Seattle and St. Louis are giving Mike Nolan enough cushion to keep his job in San Francisco.
